Become part of the Team

You're invited to become part of our team.

By joining our Team through a corporate sponsorship, you not only receive a number of business benefits that will help to promote your business, you also become part of our proud heritage.

Being a sponsor of Adelaide Cricket Club is more than just a sign on the fence or a thank you at a presentation night. The Adelaide Cricket Club is run as a business. The Club is managed by a hand selected Board of Directors who understand the current business environment and the challenges in linking the business dollar to a sporting club's sponsorship need.

We will work with your business to deliver returns on your sponsorship investment. We are experienced in working with our club partners to expand on the sponsorship benefits to provide you with either a structured or bespoke sponsorship offering that is a win / win for all parties.

We will take the time to understand your business needs. We will formulate a plan that adds to your marketing activities and create brand awareness within our club.

Between our current playing lists, 'Tri-Colours' our past players incorporated body or through our other business partners, we have a range of target audiences that your business could reap the benefits of, through partnering with the Adelaide Cricket Club.

Adelaide Cricket Club's Board of Management, Management Committee, coaches, supporters, members and co-sponsors all welcome you to be a part of our club, and look forward to celebrating the successes of the future together.

We are the Buffalos

The Adelaide Cricket Club is one of Australia's most established cricket clubs, competing in the Premier Cricket competition in South Australia.

The club is well known for nurturing and developing young players, from primary school juniors to senior players who have gone on to wear the baggy green.

In its 112 year history, the Buffalo's as we are known has provided a pathway to first class cricket success, with players and household names such as Jason Gillespie, Clarrie Grimmett and K.G. Cunningham all starting their careers with the mighty Buffalos.
